

Paper towel dispenser in stainless steel for mounting in vanity units

- Full metal housing in robust, easy-to-clean stainless steel AISI 304, satin finished.
- Holds approx. 250 paper towels.
- Dispenser top-fillable through tilting housing flap.
- The built-in, non-wearing spring mechanism exerts constant pressure right up until the last paper towel is removed.
- Easy to clean due to optimum accessibility.
- Simple mounting: insert into cutout and screw into vanity unit from below through the brackets.
- Insert dimensions 266 x 155 mm
- Also available upon request in a polished finish or with other surfaces.
