

BILLY GOAT®

NEWLY
ENHANCED!

PLUGR® Cam-Driven Reciprocating 18" Aerator

PL1801V & PL1801H

Ideal for smaller property aeration or rentals, the 18" PLUGR aerates up to 22,000 sq. ft./hour. Reciprocating cam-driven tines propel the unit forward and drive cores up to 2.75" deep even in hard soil conditions, offering a higher quality aeration than traditional drum units.

- New ergonomic handle is Iso mounted for reduced vibration
- Longer belt span improves belt de-clutching and increases belt life
- Flanged ball bearings in the tine swing arm offer quieter operation.
- Easy to steer without lifting; requires no add-on weights
- Upgraded wheel bearings prolong life of wheel.
- Folding handle for compact transport and storage
- Only 4 tines, no chains and a no-tool removable cover for easy maintenance
- Increased tine clearance for easier loading/unloading

Features/Benefits/Accessories

User friendly controls Handle has fingertip controlled bail for engaging drive/tine. To raise and lower tines, the tine retractor lever is comfortably top mounted.

Four Tensile hardened thin wall tines Simple, durable screw in design makes service simple. In/out reciprocating tine motion produces less compaction on the inner surface of the hole compared to spoon designs.

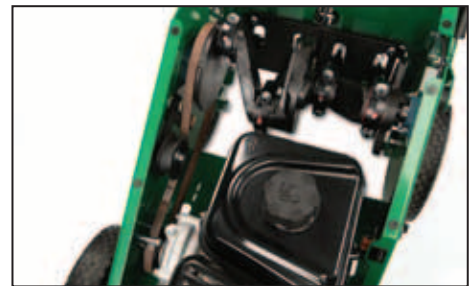

One piece lift-off removable cover offers ease of maintenance. Easy-release rubberized fasteners offer quick and easy hood removal for 100% access to all components.

Updated wheel bearings prolong life of wheel.

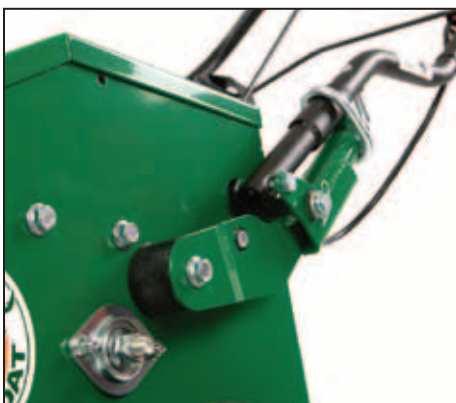

Easy fold handles Folding handles provide compact transport and storage.

Longer belt span improves belt de-clutching and increases belt life.

Optional tines Assorted tine sizes and styles offer a solution for every turf condition. Choose from 3/8" Solid (Part No. 381151); 7/8" Solid (Part No. 381149); 3/8" Hollow (Part No. 381150); Standard 5/8" Hollow (Part No. 381057); Zoysia Transfer (Part No. 381152).

Iso mounted handle helps reduce vibration offering fatigue free operation so you can complete more work in less time!

Text to Video feature offers quick view of operating instructions on your mobile device. *Text "core" to 33998 (US) or 33433 (CAN).

Service Kits Common replacement parts for your PL1801 ser PLUGR Aerator (Part No. 382607).
